Diese Frage haette ich doch beinahe im Wust der e-mails uebersehen. Menzie-Cura ist die Firma, bei der Vorhees et al. gearbeitet haben. Es gibt also nur einen Report.

Hans-Juergen

Subject: Another report re risk prioritizaion

Hans-Juergen,

Do you have a copy of the Massachusetts report of 1999 by Menzie-Cura and Associates using risk prioritization for smoke constituents?

Regards,
Roger
